

◆◆◆◆ Instructions for filling out membership application form ◆◆◆◆

1. Please fill in all fields. The information you enter will be registered JSGI membership records.
2. If you are joining as an organization (Supporting Member), please fill in the name of the person in charge and write "organization" in the remark's column. If the person in charge changes after joining, please notify the secretariat immediately. Please do not use this form to apply for membership as a supporting member, as a separate notice will be sent.
3. As a general rule, for the name of your affiliated institution, please fill in the faculty/department for universities, and the division/section for companies. If you are a student, please fill in the grade level as well.
4. For contact information, please circle the one you wish use of correspondence.
5. Please fill in only one major email address. Regular correspondence will be by email.
6. For your highest level of education, please write the year of graduation and the name of the last school (faculty/department) you graduated from.
7. For your research field, please write the research interests.
8. If you are a student, please get a signature from your supervisor to prove your enrollment status.

Please pay the membership fee when you submit your application.

The membership fee is 5,000JPY for regular members and 5,000JPY for Student Member.

Your membership will be approved by the JSGI Board after the application has been submitted, and the membership fee has been paid.

(Note) If there are any changes to the information you have entered on your application form, please notify us immediately.
